Supplemental Arrangement Update as at December 31, 2009

General Information on the Supplemental Arrangement (SA)

The assets of the Supplemental Arrangement (SA) are administered by Industrial Alliance Insurance and Financial Services Inc. (Industrial Alliance). The assets are invested by Phillips, Hager & North (PHN) in the Phillips, Hager & North Balanced Pension Trust Fund and Leith Wheeler Investment Counsel Ltd. (Leith Wheeler) in the Leith Wheeler Unrestricted Diversified Fund. Monthly contributions to the SA are allocated on an even basis to each of the managers, with Industrial Alliance rebalancing as required based upon relative performance.

The PHN Balanced Pension Trust Fund is composed of the assets of the PHN Money Market Fund, Bond Fund and Equity Funds (Canadian, including Small Float Fund, and Foreign Funds). PHN will make adjustments to the asset mix of the Fund as market conditions dictate. The unit value of the PHN Balanced Pension Trust is published regularly in the financial section of major newspapers (PHN Bal Pens Tr).

Similarly, the Leith Wheeler Unrestricted Diversified Fund is invested in Canadian fixed income and Canadian, U.S. and International equities. The non-Canadian equities are managed on behalf of Leith Wheeler, through a sub-advisory agreement, by Sprucegrove Investment Management Ltd. (Sprucegrove).

As at December 31, 2009, total assets in the SA were \$46.2 million, with the allocation approximately equal between the two firms. There were 989 members.

The timing and amount of contributions are unique; your personal return is dependent on the actual contributions and the timing of subsequent investment in the managers' funds.

Membership and Contribution

For the year 2009, the *Income Tax Act* allowed maximum registered pension contributions in the amount of \$22,000. Members who earned more than \$156,938 reached their pension contribution limit and excess employer contributions were re-directed to their Supplemental Arrangement accounts.

For the year 2010, the *Income Tax Act* has raised the pension contribution limit to \$22,450 and members will not reach their aggregate maximum until they have earned \$160,154.
